Bug 267824 - Firefox is ugly and ...

IE\_Fan 2004-11-04 16:13:44 PST

[Description](#)

User-Agent: Mozilla/5.0 (Windows; U; Windows NT 5.0; en-US; rv:1.8a5)  
Gecko/20041104  
Build Identifier:

You can't release Firefox 1.0 like that! Just see how ugly it looks like, horrible! You need to improve Firefox for at least some years to get a decent release!

Reproducible: Always

Steps to Reproduce:

1. Go to spreadfirefox.com
2. Download Firefox
3. Note ugliness

Actual Results:

I was horrified and went back to IE (after a short jump over to Mozilla).

Expected Results:

Stay with Firefox :)

IE\_Fan 2004-11-04 16:14:25 PST

[Comment 1](#)

this needs to stop Firefox 1.0!!
